Waynesboro Public Schools' Special Education Advisory Committee (SEAC) works with the School Board, administrators, parents, and teachers who are responsible for students receiving special education services. The local School Board appoints our members and the team works together to advocate for the needs of students receiving special education. If you have any questions about the work SEAC does in our community, please contact the Director of Student Services, Ryan Barber, at 540-946-4600 or SEAC Chair, Teresa Joiner at tdbjoin@gmail.com or SEAC@waynesboro.k12.va.us.

Meeting dates and topics are subject to change.

If schools are closed or close early for inclement weather, the SEAC Meeting is canceled.
