

TAX-DEFERRED ANNUITIES

Waynesboro Public Schools will maintain a tax-deferred annuity program. The Superintendent and Director of Finance will establish criteria for selection of these vendors and will determine those vendors for whom payroll deduction will be made.

The School Board does not endorse any product, service or organization for which a voluntary payroll deduction is made. All vendors of products or services through payroll deduction will adhere to the conditions set forth in policy file DJG, Vendor Relations and DLBA-R, Tax-Deferred Annuities – Regulation.
