

STUDENT TRANSPORTATION SERVICES

The school board may provide for the necessary transportation of students. The board requires that all conditions stipulated by the Code of Virginia and regulations of the Virginia Board of Education for transportation of students be met so that the board may receive all state funds due for the transportation of students.

Adopted: November 8, 1994

Legal Ref.: Code of Virginia, Section 22.1-176

Regulations of the Virginia Board of Education, Revised January 1993
