

**TRANSPORTATION SERVICES MANAGEMENT
SCHOOL BUS SAFETY PROGRAM
USE OF CB RADIOS**

Citizen Band (CB) radios will be provided for each school bus used daily to transport pupils in the Waynesboro school division. Base stations will be located in the transportation office in the school board offices and the maintenance shops.

The CB radios are for safety purposes and are to be used for emergency and official business only. The CB radios are not to be used by pupils. The use of CB radios in school buses will be monitored by the administrative assistant to the superintendent.
