

## **TELEPHONE CALLS**

Telephone bills for school phones allocated to the various schools by the school board will be paid for the by the school board. School business calls only will be made.

All long distance business calls must be made from the central office and registered with the principal.

A school may have telephones paid for out of activity or cafeteria funds.

Personal long distance calls may not be charged on phones paid for by the school board.

Adopted: November 8, 1994
