

## **STAFF HEALTH**

As a condition of employment every new contracted employee of the school board shall submit a certificate signed by a licensed physician or licensed registered nurse employed by a local health department stating the employee appears free of communicable tuberculosis. Any employee who begins duty without having complied with this requirement will have violated the terms of employment, and is not entitled to compensation.

The school board, at its discretion, may require a tuberculosis re-screening of all employees.

Adopted: February 14, 1995
