

**STUDENT AND STAFF HEALTH AND SAFETY
EXPOSURE CONTROL PLAN
Bloodborne Pathogen Standard**

The Waynesboro Schools will maintain an Exposure Control Plan that complies with the Occupational Safety and Health Administration Standard 1910.1030, and subsequent amendments, and Virginia Occupational and Health Administrative Directive 02-400, and subsequent revisions. The plan will be kept in the office of the principal of each school and in the office of the superintendent and will be available to anyone upon request.

Adopted: February 14, 1995
