

**PROFESSIONAL PERSONNEL
RETIREMENT**

All full-time professional employees must be members of the Virginia Retirement System unless they were exempt when the system went into effect in 1942.

Part-time personnel are not eligible for membership in the Virginia Retirement System.

Life insurance as part of the retirement system is also compulsory. The premium is paid by the Waynesboro School Board up to the current limit.

When a person leaves a position covered by Virginia Retirement System, contributions from the retirement system may be withdrawn or left with the system.

Adopted: February 14, 1995
