

VOCATIONAL EDUCATION

The school division will provide a program of vocational education in order that students may acquire skills, knowledge, attitudes and habits of work necessary for life and success in employment. The superintendent and staff shall plan and shall make recommendations for vocational education in compliance with the Standards of Quality and the State Board of Education Regulations.

Adopted: April 11, 1995

Legal Refs.: Code of Virginia, 1950, as amended Sections 22.1-16; 22.1-209; 22.1-227 through 22.1-237

Regulations of the Virginia Board of Education, Revised January 1993,
VR 270-01-0011
