

Dear Parents,

We are pleased to inform you that Waynesboro Public Schools can provide free interpreting and translating services for you and your student's school needs. Spanish Interpreters will be automatically scheduled for each school building for Back to School Orientation and Special Education Eligibility Meetings. Interpreters will be assigned for Parent/Teacher conferences if requested by the parent or teacher. For a language other than Spanish, schools should submit an Interpreter Request Form at least 7 business days prior to meeting.

If you have a need for an interpreter or require translation services, please call the Office of Student Services at (540)946-4600 Ext. 52 and leave a message in your native language. Someone, who can effectively communicate with you, will return your call as quickly possible. You may also request services via email at vgutierrez@waynesboro.k12.va.us

You may also access our website in Spanish at <http://www.waynesboro.k12.va.us/>

We look forward to working with you and your child.

Sincerely,

Dr. Ryan N. Barber
