

LOCALLY AWARDED VERIFIED CREDITS

The Waynesboro School Board awards verified credits to students who enroll in high school as freshmen before July 1, 2018, as sophomores before July 1, 2019, as juniors before July 1, 2020 or as seniors before July 1, 2021 toward a standard diploma in science and history/social sciences in accordance with this policy.

No student may earn more than four locally awarded verified credits.

To be eligible to earn locally awarded verified credits, a student must

- pass the high school course and not pass the related Standards of Learning test
- take the Standards of Learning test at least twice
- score within a 375-399 scale score range on any administration of the Standards of Learning test
- demonstrate achievement in the academic content through the appeal process described below

In addition to verified credits in science and history/social sciences, the School Board may also award verified credits toward a standard diploma in reading, writing and mathematics to students with disabilities as credit accommodations for the standard diploma. To be eligible for such credit accommodations, students with disabilities must meet all criteria established by Virginia law or regulation.

Appeal Process

The Waynesboro School Board shall appoint a review panel comprised of at least three educators. Different panels may be appointed for individual schools or groups of schools.

The review panel will review information which provides evidence of the student's achievement of adequate knowledge of the Standards of Learning content. The panel will have discretion in determining the information it will consider. That information may include, but is not limited to, results of classroom assignments, division wide exams, course grades and additional academic assignments (e.g. papers, projects, essays or written questions) as the panel deems appropriate.

Based on the evidence it reviews, the review panel may:

- award the verified credit;
- deny the verified credit;
- suggest participation in a remedial program and retesting; or
- make additional academic assignments prior to determining whether to award the verified credit.

The decision of the review panel will be final.

OR

The decision of the review panel may be appealed to the School Board in accordance with regulations developed by the Board.
